Ready Schools & Ready Communities Process Map

Ready Schools | Ready Communities

Ongoing Planning & Implementation Support from DEPC

- Analyze High/Scope Assessment and other data sources
- Provide coaching and mentoring on RS Pathways
- Monitor implementation of Ready School Innovation Awards
- Map community for current resources
- Build interest and knowledge of RS in community
- Identify individuals to serve on School-Community Team

Pre-Planning (School Administration)

Ready Schools Orientation (Faculty and Staff)

- Provide overview of Ready Schools and Ready Communities
- Demonstrate alignment with existing school work
- Share timeline of RS involvement at school site
- Determine school-community team recruits and points of contact

Ready Schools Site Visit

- Determine current reality of school
- Debrief findings

School-Community Team Orientation

- Share information from RS Orientation
- Train on High/Scope Ready School Assessment
- Share future timeline—work plan, data collection
- Share opportunities for community collaboration
- Discuss appropriate community member engagement
- Review DEPC and ECPS volunteer policies

Assessment of Strengths and Needs

- Complete High/Scope Ready School Assessment
- Review other available data sources
- Use available data to develop strategic work plan and budget

Implementation of Work Plan

- Provide technical assistance on implementation of Ready Schools Pathways
- Monitor implementation of Ready School Innovation Awards
- Sustain stakeholder engagement on school-community teams
- Seek resources as needed by school-community teams

School-Community Team Reflections

- Review work plan and budget
- Share successes, challenges, and lessons learned
- Present plan for sustainability

District Level Policy and Implementation

- Develop district sustainability and replication plans
- Align professional development with Ready Schools/Ready Communities
- Support leadership development
- Facilitate learning communities
- Partner with STEP (Strategic Twin County Educational Partnership)
